# *Filoli Autumn Tea*

Saturday, October 19, 2019

Enjoy an elegant tea service at Filoli mansion and gardens where the Dahlias, Hydrangea, and Camellias should be showing off their autumn blooms. The tea includes delicate finger sandwiches, scones and dainty desserts. There will be time to tour the mansion and to stroll through the gardens.

The 36,000 square foot Filoli Mansion, with its sixteen acres of formal gardens, are on a 654 acre estate established by the Bourn family, owners of the Empire gold mine in Grass Valley, and further developed by the Matson family, of the Matson shipping lines. The Gardens were designed to be a serene refuge from daily life and contain many of the elements you would expect on an English country estate including a formal garden as well as a kitchen garden for fruits and vegetables.
