

Progressive Dining

Tuesday, May 19, 2020

This walking tour through downtown Sacramento includes enjoying one course at each of three different restaurants and stopping to shop at a spice shop as well as a candy shop.

After meeting our local guide, who will share culinary and colorful stories along the way, we begin with mimosas and small bites at Downtown & Vine, a wine bar with exceptional small plates.

The entree course will be served at Mexican inspired Tequila Museo Mayahuel. Located in the Hyatt, it is a Michelin Guide Plates rated restaurant.

Visit the Allspicery between lunch & dessert. It's the brainchild of Heather Wong, who was inspired by her deep and lifelong love of flavor to pursue a career in spices. She has a serious passion for travel, which now serves as her biggest culinary inspiration.
