

# Destination: UNDERGROUND OLD TOWN & *a River Cruise*

Thursday, April 30, 2020

Take an Underground Old Town Sacramento tour revealing how the city took drastic measures to avoid floods in the 1860s and 1870s, sealing off the first floors of buildings and raising the street by one story. Dine at Rio City Cafe on the waterfront. Finish with a Hornblower cruise on the Sacramento River and a short time to shop in Old Town.

A docent in historic dress helps you discover evidence of the city's street raising, including exposed retaining walls, dipping alleyways, and underground hollow sidewalks. Hornblower's narrated one-hour cruise sails past the I Street and Tower Bridges, and the Air Force Docks, including fascinating stories from Sacramento's history

including John Sutter's personality, the wild first days of the Gold Rush, and the times when Pony Express riders came galloping into town.
