

**Thursday, July 30, 2026**

When the lights hit the piano and the first pounding chords ring out, *Great Balls of Fire* doesn't ease into the story — it explodes. Inspired by the electrifying life of Jerry Lee Lewis, the Broadway-style production captures the raw, rebellious birth of rock 'n' roll in the 1950s. It reminds audiences that early rock wasn't just music — it was a cultural earthquake, and Jerry Lee Lewis was right at its epicenter.

Lewis wasn't polished or predictable. He attacked the keys, kicked the bench, and sometimes set the stage on fire — literally and musically. The show traces his meteoric rise from Louisiana gospel roots to international fame, fueled by hits like "Whole Lotta Shakin' Goin' On" and the iconic "Great Balls of Fire." More than a jukebox musical, the production pulses with danger, ambition, and rhythm.

Buffet lunch at The Peppery before the 2:00 p.m. performance.
