

# *A Middle Ages Mystery*

Tuesday, April 23, 2024

There are three stops to explore today on our Middle Ages Mystery.

Our first stop was very popular in the Middle Ages with a certain class of people, but not so much now.

Our second stop is somewhere where most of these types were developed during the Middle Ages and some are still popular today.

The foundation for this religion started during the Middle Ages with some incredible structures. Seeing is believing at our third stop.

The luncheon buffet will be served al fresco and includes grilled chicken breast, marinated tri-tip, red rosemary potatoes, mixed vegetables, green salad, rolls & butter. For dessert there will be cookies and Cheesecake Brownies to follow. Beverages include Iced Tea, coffee, and wine.
