

The Gold Country Express

Wednesday, September 24, 2025

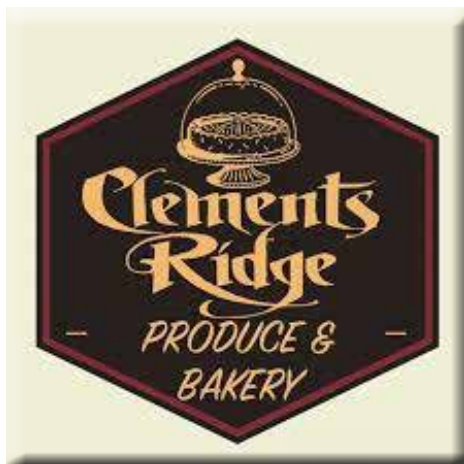

Join us for a unique opportunity to ride a speeder, a small railcar used around the world by track inspectors and work crews to move quickly to and from work sites. You'll ride the Amador Central Railroad, originally called the Ione and Eastern built in 1904. Ride on a track from a different era, taking in the trackside stops along the way and history shared by our guides. Take in the panoramic views from the foothills of the Sierra Nevada Mountains all the way to the costal Ranges.

Lunch will be served at Burke Family Restaurant, located in the historic Ione Hotel. The Burke family's passion shines through the cuisine they offer and they use the freshest ingredients. A seasonal menu will be announced by early September. On the way home stop at Clements Ridge Produce & Bakery where you can enjoy a slice of a freshly-baked pie and peruse their wide assortment of home cooked goods and fresh produce.
